Description (revised)

black 100% cotton calvin klein tank and size 36 to 39. **signature of american style** vs. the dangers on the path to modernization.

this shirt was gifted to me by a best friend. it was her father's: a 6 foot plus tall jewish man presumably of eastern slav descent. it carries the imprint of a once lean youthful jew and the late night scent of basketball sweat. he is harvard law educated and carries a bashful dignity that comes with post young urban professional success. this shirt loves the dangerously illegal sexiness of my 17 year old body, and i reciprocate this love. im selling you two generations of youth.
